By signing this Contract, the Bidder warrants that he/she is not under 18 years of age. For breach of this warranty, the Government shall have the right to annul this Contract without liability.

## **CONSIDERATION OF BIDS**

Once a bid is entered for an item (when the Auctioneer opens the bids and commence the bidding process), the Bidder may not withdraw his/her bid. The Government reserves the right to reject any or all bids, including bids under which a Bidder would take unfair advantage of the Government or other Bidders, to waive any technical defects in bids, and unless otherwise specified by the Government or by the Bidder, to accept any one item or group of items in the bid, as may be in the vest interest of the Government.

## **SUBMISSION OF BIDS AND AWARD**

1. The Auctioneer will offer each numbered item separately. A Department of Property and Procurement numbered paddle will be provided to each registered Bidder. The Auctioneer will commence the bid by calling the starting price. Bidder will communicate acceptance of a bid by raising his/her paddle. The price will increase incrementally based on acceptance of a bid at the Auctioneer's discretion
2. When the Auctioneer "knocks down" an item (when the Auctioneer hits the gavel on the podium thereby closing the bid), this action will constitute an award by the Contracting Officer to the successful Purchaser for each item except as otherwise herein specifically provided. Once an item is "knocked down", the Purchaser may not withdraw the bid. The Highest bid accepted by the Auctioneer at the Auction is the price that the Seller will accept for the property.

3. In the event of a dispute as to the amount bid, item, or item number, and/or paddle number of a Bidder, the Contracting Officer reserves the right to re-offer the item in question. Records of the Government, as to the name and number of the Bidder, the bid, an amount thereof shall be prima facie evidence of the circumstances of the sale, and all disagreements will be resolved in accordance with such records.
4. Special provisions made by the bidder will not be accepted and can cause the bids to be rejected.
5. The Auctioneer's decision is final in the event of a dispute over any matter. The Auctioneer reserves the right to accept bids in any increments she/he feels are in the best interest of the Government.

### **AWARD OF CONTRACT**

The contract will be awarded to the responsible Bidder whose bid conforms to the Contract and will be most advantageous to the Government, price and other factors considered.

### **SALES CONTRACT AND AWARD**

The highest successful bidder must sign an "Auction Contract and Award" contract and all other documents specified by the Department.

### **PAYMENT**

The Purchaser agrees to purchase the property awarded to him/her in accordance with the price quoted in his/her bid. The successful bidder shall remit a minimum of twenty-five percent (25%) of the vehicle price to the cashier at the Auction site. Within three (3) business days subsequent to the Auction date, the successful bidder must remit seventy-five percent (75%) or the remaining balance to the Department of Property

and Procurement's Fiscal Office located in the Department of Property and Procurement's Main Building in the respective district. Once the remaining balance is remitted, the successful bidder shall be given a receipt, which she/he shall tender to the Division of Transportation, upon which an "Auction Contract Sale and Award" shall be given with the vehicle registration. The successful bidder who tendered one hundred percent (100%) of the award price at the Auction site shall be given the "Auction Contract Sale of Award" and vehicle registration. Subject to any adjustment made pursuant to other provisions of this contract, payment of the full purchase price must be made within the time specified in the Contract or prior to the delivery of the vehicle.

### **ORAL STATEMENTS AND MODIFICATIONS**

Further, no interpretation of any provision of the contract, including applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing; by the contracting officer or his/her designated representative.

### **DELIVERY, LOADING AND REMOVAL OF PROPERTY**

Unless otherwise provided in the Contract, the Purchaser shall be entitled to obtain property upon full payment thereof with delivery being made only from the exact place where the property is located. Items purchased under the Contract will be released only to the Purchaser or his/her authorized representative. The authorized representative must furnish authorization from the Purchaser to the Custodian of the property location before any delivery or release will be made. The vehicle shall be released upon proof of identification and registration card showing a successful award from the Auction or in event that a balance of the award price was remitted, a receipt from the Fiscal Office of the Department of Property and Procurement.

## **DEFAULT**

If, after the award of the property at the Auction site, the Purchaser breaches the contract by failure to make payment within the time allowed by the contract or then fails to remove the property as stated herein, the Government may send the Purchaser a fifteen (15) days written notice of default (calculated from the date of mailing), and upon Purchaser's failure to cure such default within that period (or such further period as the Contracting officer may allow) the Purchaser shall lose all right, title, and interest which she/he might otherwise have acquired in and to such property as to which a default was occurred.

## **INDEMNIFICATION**

The Bidder agrees to hold the Government harmless from any and all actions, claims, debts, demands, judgments, liability, costs and attorney's fees arising out of, claimed on account of, or in any manner predicated upon the loss of or damage to property and injuries, illness or disabilities to or death or any and all persons whatsoever, including members of the general public, or to the property of any legal or political entity including State, local and interstate bodies, in any manner caused by contributed to by the Bidder or Purchaser, its agents servants, employees, or any person subject to its control while in, upon or about the Auction site and or the site upon which the property is located, or while the property is in possession of or subject to the control of the Bidder or Purchaser, its agents, servants or employees after the property has been removed from Government control.

## **REQUIREMENTS TO COMPLY WITH APPLICABLE LAWS AND REGULATIONS**

It is the Bidder's responsibility to ascertain and comply with all applicable Federal, State, Local and multi-jurisdictional laws, ordinances, and regulations pertaining to the registration, licensing and handling possession, transportation, transfer, export, processing, manufacture, sale, use, or disposal of the

property listed in the Contract. Purchasers or users of this property are not excused from any violation of such laws or regulations either because the Virgin Islands is party to this sale or has any interest in the property at any time.

## **ENCUMBRANCES**

Seller represents and warrants that the Property is free from all liens and encumbrances of any kind, except as expressly noted on an attached Encumbrances Disclosure, which is expressly made a part of this Contract.

## **SELLER'S AUTHORITY**

Seller represents and warrants that Seller is fully vested with power to sell and convey the property free and clear of any liens or encumbrances without consent or approval of any third party and without condition or contingency except as expressly noted otherwise in this Contract. To the extent that Co-Seller is listed, Seller covenants and warrants that Seller is authorized to execute this Contract on behalf of the Seller and that this Contract shall be valid and enforceable and binding upon the Co-Seller as it is upon Seller.

## **GOVERNING LAW**

This Contract shall be governed by the laws of the United States Virgin Islands without regard to conflict of laws principles.

## **ASSIGNMENTS**

A Bidder shall not assign or transfer any rights under this Contract, or registration numbers or Paddle numbers. Any assignment of transfer of aforesaid rights invalidates this Contract and vitiates any rights hereunder.

## **ENTIRE AGREEMENT**
