On behalf of the Bryan-Roach Administration, the Department of Property and Procurement welcomes you to our Saturday, July 16, 2022, Surplus Vehicle and Equipment Auction.

Among other things, the Department is charged with managing the acquisition, maintenance, and disposition of all government vehicles. As part of that tremendous responsibility, we conduct public auctions throughout the year to sell vehicles which are no longer needed for government operations - this reduces the fleet and maximizes on savings. Public auctions are an approved method in the Virgin Islands Code to sell government vehicles. We are fully committed to conducting auctions that are 100% fair, transparent, and in full compliance with the law. As such, we strictly adhere to the rules regarding registration, we always award contracts to the highest responsible bidder to ensure the government and the people of these Virgin Islands receive the best value possible, and we strictly enforce the vehicle purchase limits to a maximum of two (2) vehicles per successful bidder in accordance with the law.

We look forward to your full participation in this process and I encourage you to offer any feedback and ideas for future auctions and for improving our processes with us. We cannot do this without you. Please feel free to submit any suggestions by contacting the Commissioner’s Office at (340) 774-0828 (St. Thomas) or (340) 773-1561 (St. Croix).

Thank you, and we look forward to seeing you at the auction.

Anthony D. Thomas
Commissioner
