AMENDMENT THREE (3) RFP-013-C-2020 (P)-Territorial Solicitation for Architectural and Engineering (A/E) Services for the Hospitals in the U.S. Virgin Islands.

QUESTION AND ANSWER

1. **Question:** Could it be possible to provide the solicitors information regarding the time of the site meetings for Tuesday, Wednesday and Thursday? On Amendment 1 Question 2, it states that the time will be provided on Monday's Teleconference meeting. However, it would be extremely helpful if those times be provided as soon as possible in order to make the proper arrangements for flights. I am flying from Puerto Rico to St. Thomas and I would like to know if I could take a flight on Tuesday morning and still make it on time to the STT meetings. Furthermore, with the limitations of seats available on flights, making flight arrangements is difficult.

Response:

- a. Site visit for St. Thomas is on Tuesday, June 2, 2020, from 10:30 a.m. -12:30 p.m. Respondents will meet at the Roy L. Schneider Hospital
- b. Site visit for St. Croix is on Wednesday, June 3, 2020, from 10:00 a.m. -12:30 p.m. Respondents will meet at Juan F. Luis Hospital & Medical Center
- c. Site visit for St. John is on Thursday, June 4, 2020, from 12 p.m. - 1:30 p.m. Respondents will meet at Myrah Keating Smith Community Health Center.

Please note: Respondents will be required to take one of the Ferry Boats that departs from the Red Hook Terminal, every hour, to get to St. John.

2. **Question:** In light of the Covid-19 pandemic, travel limitations and the requirement for social distancing, I would like to ask if the *mandatory pre-proposal meeting and site visit* set for the week of June 1-5, 2020 will still be held for these four projects?

Response: Yes, the pre-proposal meeting is still scheduled to take place via teleconference and the mandatory site visits will take place in person.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
