Question:

Page 15, item number 5. Project References: 3 letters minimum (including a notarized consent from each authorized representative which must include name; telephone number; and email address)

In light of COVID-19, which may make getting in person notarization difficult for hard copy project reference letters, can we instead submit project reference letters without the notary stamp?

Answer:

Yes, The Department of Property and Procurement will waive the requirement of a notary stamp.
