Amendment 6- RFP-055-T-2021 (P) – Qualified Firms for Administration Assistance Services for the US Virgin Islands

Insert: Questions/Answers:

1. Are there specific reporting requirements such as type of reports, timeframe, content, etc. or will the contractor and GVI collaborate to establish reporting requirements after contract award?

Reporting requirements would generally follow those required by the specific grants to include type of information/content and frequency/deadlines. The selected vendor and the GVI will work together to finalize all reporting requirements after award.

2. Please indicate expectations for onsite versus remote working requirements. Will the contractor be required to be onsite at all times or will options to work remotely be allowed?
Onsite support is not required at this time.
3. Will work space be available for our project team to facilitate communication and interchange with the process owners with whom we will be working?

Should work space be required or necessary to facilitate meetings or other activities, the GVI will work with the selected vendor to provide.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
