AMENDMENT FOUR (4)

IFB074GVIC21 (S)- Generator Maintenance Services, Emergency Repair Services and Generator Rental, St. Croix, USVI

INSERT: Additional Cost Bid Sheet

INSERT: Questions and Answer

Question: Is it the case that **all** repairs are under the RFP to be provided by the contractor at no additional cost to the GVI?

Answer: No. See attached additional cost bid sheet.

Question: That is to say that if a unit needs a new backend or a new injection pump etc. for \$8,000.00 that would be the sole responsibility of the contractor to provide?

Answer: The contractor will be responsible for providing the items needed and then provide a bill for payment.

Question: In the case where a unit is so badly damaged/old/parts are obsolete etc. who will bear the cost of replacing (not repairing) units?

Answer: All costs incurred by the awarded contractor will then be invoiced to the government.

All other terms and conditions remain the same.

A copy of this amendment must be returned with your bid.

Additional Cost Bid Sheet

Cost Proposal
