- H. Contractor/Subcontractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such contractor/subcontractor. The Contractor/Subcontractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor/Subcontractor may request the United States to enter into such litigation to protect the interests of the United States.

26. CERTIFICATION OF NONSEGREGATED FACILITIES

It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any

33. PROCUREMENT

The Uniform Guidance procurement requirements (2 C.F.R. § Part 200, Subpart D) went into effect on July 1, 2018. These requirements are applicable to CDBG-DR funded projects, or as provided by 83 Federal Register 5844 VI A(1)(b)(2) permits a state grantee to elect to follow its own procurement policy. These policies and procedures ensure that Federal dollars are spent fairly and encourage open competition at the best level of service and price.

34. CHANGE ORDERS TO CONTRACTS

Change orders are issued when the initial agreed upon pricing or work to be completed requires modification. First, the contractor must complete a Change Order Request Form. This form and supporting documentation must be delivered to the Project Manager for review. Each change order must have a cost analysis. Once the Project Manager approves the change order, it is returned to the contractor for execution. Change orders are only invoiced on the final draw and categorized as "change order." The amount listed on the invoice must match the previously approved amount and must be cost reasonable. The Project Manager is responsible for verifying cost reasonableness. Verification documentation for cost reasonableness becomes an attachment to the change order.

The primary purpose of this Act is to protect and enhance the quality of our natural environment. The HUD environmental review process must be completed before any Federal funds can be accessed for program-eligible activities.

The primary objectives of the HUD environmental review are to identify specific environmental factors that may be encountered at potential project sites, and to develop procedures to ensure compliance with regulations pertaining to these factors. The HUD environmental review is designed to produce program specific environmental review procedures in a program that can vary greatly in terms of scope of work.

39. DUPLICATION OF BENEFITS

CDBG-DR funding intends to address the unmet needs of a community. The funds are supplemental to primary forms of assistance, including private insurance and FEMA funds. To avoid duplicative assistance and potential de-obligation of funding, Subrecipient must utilize all possible funding sources before applying CDBG-DR dollars to a project. CDBG-DR programs are typically implemented after temporary disaster assistance programs, such as FEMA Individual Assistance which are not intended to make someone whole.

The Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), as amended, 42 U.S.C. §5121 et seq., established the requirements for Duplication of Benefits (DOB) analysis.

Per the regulations of 24 C.F.R. § 570.601 and in accordance with Section 104(b)(2) of the Housing and Community Development Act of 1974, as amended, 42 U.S.C. §5301 et seq., for each community receiving a grant under Subpart D of this part, the certification that the grantee will affirmatively further fair housing shall specifically require the grantee to take meaningful actions to further the goals identified in the grantee's Assessment of Fair Housing (AFH) plan, conducted in accordance with the requirements of 24 C.F.R. § §§5.150-5.180 (Affirmatively Furthering Fair Housing) and take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

42. DRUG FREE WORKPLACE

The Drug-Free Workplace Act of 1988, as amended, 41 U.S.C. §81, as implemented by 24 C.F.R. § Part 24 Subpart F, §§983.251-983.262, requires that any grantee other than an individual must certify that it will provide a drug-free workplace. Any grantee found in violation of the requirements of this act may be subject to suspension of payments under the grant, suspension or termination of the grant or suspension or debarment of the grantee.

43. TIMELY DISTRIBUTION OF FUNDS

The Supplemental Appropriations for Disaster Relief Requirements, 2017 (Pub. L. 115-56), approved September 8, 2017 (Appropriations Act), as amended, requires that funds provided under the Act be expended within two (2) years of the date that HUD obligates funds to a grantee unless otherwise authorized via waiver of this requirement by the Office of Management and Budget (OMB). The OMB waived the two (2) year expenditure requirement under 83 FR 40314; however, the provision to expend one hundred percent (100%) of the total allocation of CDBG-DR funds on eligible activities within six (6) years of HUD's initial obligation of funds remains in effect. The six (6) year expenditure period commences with the initial obligation of funds provided under 83 FR 5844. Additionally, per 83 FR 5844, the provisions at 24 C.F.R. § 570.494 and 24 C.F.R. § 570.902, regarding timely distribution and expenditure of funds, are waived and an alternative requirement was established.

Furthermore, consistent with 31 U.S.C §1555 and OMB Circular No. A-11 (2017), if the Secretary of HUD or the President of the United States determines that the purposes for which the appropriation was made have been carried out and no disbursement has been made against the appropriation for two (2) consecutive fiscal years, any remaining unobligated balance shall be canceled and will be made unavailable for obligation or expenditure for any purpose.

44. PROPERTY MANAGEMENT AND DISTRIBUTION

Regulations governing property management and distribution of real property, equipment, financial obligations and return of un-obligated cash post program closeout can be found in 24 C.F.R. § 570.506, 2 C.F.R. § 200.310, 2 C.F.R. § 200.343 and 2 C.F.R. § 200.344(b). The standards of 24 C.F.R. § 570.506 apply to any real property under a CDBG award recipient's control acquired in whole or in part with CDBG funds in excess of \$25,000.00. The recipient may not change the use or planned use of the property without proper notification to affected citizens and allowable time for comment by them. If the property is not a building for general government conduct, the use of the property may be changed with citizen approval if it either meets one of the national objectives as defined in 24 C.F.R. § 570.208 or if not, the recipient may either retain or dispose of the property for the changed use if the recipient's CDBG program is reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property. Following such reimbursement, the property will no longer be subject to any CDBG requirements.

45. LIMITED ENGLISH PROFICIENCY

Executive Order No. 13166, signed on August 11, 2000, requires programs, subrecipients, contractors, subcontractors, and/or developers funded in whole or in part with CDBG-DR financial assistance to ensure fair and meaningful access to programs and services for families and individuals with Limited English Proficiency (LEP) and/or deaf/hard of hearing. Fair access is ensured through the implementation of a Language Assistance Plan (LAP), which includes non-English-based outreach, translation services of vital documents, free language assistance services, and staff training. Vital documents are defined as depending on the importance of the program, information, encounter, or service involved, and the consequence to the LEP person if the information in question is not provided accurately or in a timely manner.

46. PERSONALLY IDENTIFIABLE INFORMATION

In accordance with 2 C.F.R. § 200.303, regarding internal controls of a non-Federal entity, a grantee must guarantee the protection of all Personally Identifiable Information (PII) obtained. The program will enact necessary measures to ensure PII of all applicants is safeguarded as to avoid release of private information. If a contractor or employee should experience any loss or potential loss of PII, the program shall be notified immediately of the breach or potential breach.

47. UNIFORM RELOCATION ACT

CDBG-DR funds are subject to the Uniform Relocation Assistance and Real Property Acquisition Act of 1970 (URA or Uniform Act), as amended. 49 C.F.R. § Part 24 requires relocation assistance for lower-income individuals displaced as a result of the demolition or conversion of a lower-income dwelling and requires one-for-one replacement of lower-income units demolished or converted to other uses.

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
