TERMS AND CONDITIONS OF THE INVITATION FOR BIDS
(SUPPLY CONTRACTS)

1. PREPARATION OF BIDS: (a) Bidders are expected to examine the drawings, specifications, invitations, and all instructions. Failure to do so will be at the bidder's risk. (b) Bids must be in ink or printed on the bid forms furnished herewith. Bids submitted in pencil will be rejected. Bids containing alterations or erasures will be rejected, unless the alteration or erasure is crossed out and correction thereof printed in ink or typewritten adjacent thereto and initialed by the person signing the bid. In addition, a statement must be furnished with the bid, signed by the bidder explaining the correction of the alteration or erasure. (c) If the bidder is a partnership, a letter of authorization shall be furnished and signed by all of the general partners. If the bidder is a proprietor, and the person signing the bid is other than the owner, a letter of authorization signed by the owner shall be furnished. The Contracting Officer will retain all such proof on file for acceptance of future bids, if requested to do so. (d) The bidder must sign his proposal correctly and in ink. If the proposal is offered by an individual or partnership, his name, office and post office addresses must be shown. If offered by a corporation, the person signing the proposal must give his name, title, and business address. Anyone signing a proposal as agent must file legal evidence of his authority to do so, and that the signature is binding upon the firm or corporation. (e) Alternate bids will not be considered unless authorized by the invitation. Alternate bids are those offered which do not meet the specification and are not considered approved equal to the item specified. (f) When not otherwise specified, the bidder must state a definite time of proposed delivery. (g) Time, if stated as a number of days will include Sundays and holidays. 2. SUBMISSION OF BIDS: (a) Bids and modifications thereof shall be enclosed in sealed envelopes addressed to the issuing office, with the name and address of the bidder, the date and hour of opening, and the invitation number on the face of the envelope. Bids shall be submitted so as to be received in the Office of the Contracting Officer not later than the exact time set for opening of bids. To be considered for award, a bid must comply in all material respects with the invitation for bids so that, both as to the method and timeliness of submission, and as to the substance of any resulting contract, all bidders may stand on an equal footing and the integrity of the formal advertising system may be maintained. (b) Telegraphic bids shall not be considered unless permitted by the Invitation for Bids. Where telegraphic bids are authorized, a telegraphic bid received by telephone from the receiving telegraph office not later than the time set for opening of bids, shall be considered if such bid is confirmed in writing by the telegraph company and by sending a copy of the telegram which forms the basis for the telephone call. (c) Bids may be modified by telegraphic notice provided such notice is received prior to the time set for the opening of the bids. (d)

Sample of items, when required, must be submitted within the time specified, and unless otherwise specified by the Government. If not destroyed by testing, samples will be returned at bidders' request and expense unless otherwise specified by the Invitation. (e) In the event no bid is to be submitted, Bidders are advised not to return the Invitation unless otherwise specified. However, a letter or post card shall be sent to the Issuing Office advising whether future Invitations for the type of supplies or services covered by the Invitation is desired. Failure to so advise the Issuing Office may be interpreted against the bidder. 3. WITHDRAWAL OF BIDS: Bids may be withdrawn only by written or telegraphic notice provided that such notice is received prior to the time set for opening of the bid. 4. LATE BIDS: (a) Bids received at the Office of the Contracting Officer after the precise time set in the Invitation for Bids are late bids. (b) A late bid shall be considered for award only if it is received before award; and either: (i) It was sent by mail including registered or certified for which an official dated post office stamp (*Postmark*) on the envelope has been obtained; or by telegraph if authorized, and it is determined that the lateness was due solely to a delay in the mails or to a delay by the telegraph company for which the bidder was not responsible; or (ii) If submitted by mail- or by telegram where authorized-it was received at the Office of the Contracting Officer in sufficient time to be opened as required in the Invitation but except for delay due to mishandling on the part of the Government. The only evidence acceptable to establish timely receipt at the Office of the Contracting Officer is that which can be established upon examination of an appropriate time stamp or a written statement from an official of the U. S. Postal Service. (c) **Hand-Carried Bids:** A late hand-carried bid, or any other late bid not submitted by mail or telegram, shall not be considered for award. (d) **Registered Mail:** The time of mailing of a late bid, mailed by registered mail, may be determined by the date of the postmark on the registered mail receipt or registered mail wrapper. The time of mailing shall be deemed to be the last minute of the date shown in such postmark unless the bidder furnishes evidence from the post office station of mailing which establishes an earlier time. If the postmark does not show a date, the bid shall be deemed to have been mailed too late unless the bidder furnishes evidence from the post office of mailing which establishes timely mailing. (e) **Certified Mail:** The time of mailing a late bid; mailed by Certified Mail for which a postmarked Receipt for Certified Mail was obtained, shall be deemed to be the last minute of the date shown on the postmark on such receipt where: (i) the Receipt for Certified Mail identifies the post office station of mailing and the bidder furnishes evidence from such station that the business day of that station ended at an earlier time, in which case the time of mailing shall be deemed to be last minute of the business day of that station; or (ii) an entry in ink on

the Receipt of Certified Mail, showing the time of mailing and the initials of the postal employee receiving the item and making the entry, is appropriately verified in writing by the post office station of mailing in which case the time of mailing shall be the time shown in the entry. If the postmark does not show a date, the bid shall be deemed to have been mailed too late. (f) **Metered Mail:** Bids or modifications thereof transmitted in a metered envelope received after the time set for opening will be deemed to have been mailed on the last minute of the day indicated by the metered stamp unless in such event a bidder is able to submit clear and convincing proof as to the actual or approximate time of mailing. 5. IDENTIFICATION OF OFFER: Bidders shall show brand name, catalog number, model and so forth as applicable on bid form covering the product they are bidding on and propose to furnish. If not shown, it will be considered and understood to be that the make and model, shown in the Schedule, as a reference, will be supplied. 6. CASH DISCOUNT PROVISIONS: (a) Discounts offered for a period of less than 20 days will not be considered in making award. Bids offering discounts for payment within periods in excess of twenty (20) days will be evaluated for the purpose of award. (b) In connection with discounts offered, time will be completed from date of acceptance of the supplies by the Government. Provided, however, that the Government is not unreasonably nor unduly negligent in accepting shipment. 7. AWARD OF CONTRACT: (a) Unless all bids are rejected, award will be made by written notice, within the time specified for acceptance, to that responsible bidder whose bid, conforming to the Invitation for Bids, offers the most advantageous service to the Government, quality offered, delivery terms and service reputation taken into consideration. (b) The Government may award items separately or by grouping items in total lots. (c) The Government may, during the term of any contract entered into, increase or decrease the quantities but no such increase or decrease will exceed twenty-five (25%) per cent of the quantity bid upon. 8. REJECTION OF BIDS: The Government may, after opening but prior to award and within the time specified for acceptance, reject any or all bids, or the bid for any one or more commodities or contracted services included in the proposed contract, when the public interest will be served thereby. 9. PRICES: (a) All prices bid shall be firm and not subject to increase if accepted during the acceptance period. Bids containing an "escalation clause" will not be considered unless specifically authorized by the Government in the Invitation for Bids. (b) For each item bid, a unit price and a total for the quantity must be stated. The unit price shall always control. (c) All prices shall be F.O.B. (Free On Board) destination. The seller hereunder must at his own expense and risk, transport the goods to the named place and there tender delivery.
