.....

Date: April 25, 2017

RFP No. 013-2017 (P)

Pursuant to 31 V.I.C. 239 (a) (4) and Rules and Regulations thereunder issued, the Government of the Virgin Islands, Department of Property and Procurement will receive proposals for the work described below. Proposals will be received no later than **Wednesday, May 24, 2017 @ 4:00 o'clock p.m.** Atlantic Standard Time.

SCOPE OF SERVICES: See Attached

NEGOTIATED PROCEDURES:

The Commissioner of the Department of Property and Procurement will appoint a Selection Committee to assist in the evaluation and selection of the Contractor. Accordingly current data on qualifications and performance should be submitted with proposals. After reviewing the qualifications and proposals the Committee will select for discussions from the firm/s or person/s considered not less than three (3), in order of preference, **deemed to be most highly qualified to provide the services herein required.** Discussions will be conducted successively and severally with the firm/s or individual/s so selected the anticipated concepts and the relative utility alternative methods of approach for furnishing the services hereunder.

FACTORS FOR DISCUSSIONS

Selection criteria will include (i) Professional qualification, registration and general reputation of principals of the firm or individual; (ii) the extent to which the firm or individual specializes in or has performed services of similar scope to the hereunder; (iii) familiarity with the location(s) in which services will be performed; (iv) quality of performance on other similar projects.

NEGOTIATION:

The Selection Committee shall recommend to the Commissioner **the highest qualified firm or person with whom a contract shall be negotiated.** The Commissioner, with the assistance of the Selection Committee, shall attempt to negotiate a contract with such firm or person.

Should the Commissioner be unable to negotiate a satisfactory contract with the firm considered to be the most qualified, at a price he determines to be fair and reasonable to the Government, negotiations with that firm will be formally terminated. Negotiations will then commence with the second most qualified, the third most qualified or additional firms, in order of preference, their competence and qualification, and shall continue until an agreement is reached.

II. SCOPE OF SERVICES

Overview

The professional development will be provided qualified education consultants on aligning instruction to Common Core State Standards (CCSS) to increase and improve instructional strategies aligned to the standards. The selected Contractor shall provide support for members of the school-based CCSS teams comprised of 2 administrators, 4 teachers, and 2 paraprofessionals. The work will focus on professional development on instructional strategies focused on the CCSS for a period of 10 days in each district. The school-based CCSS team members will serve as the satellites for their schools hence the strategies obtained through the professional development will be shared with the non-participating staff members at school sites during monthly school-based PLCs scheduled as early

release days in each district. The goal is to increase educator knowledge and instructional strategies through professional development and support on the CCSS

The selected Contractor shall also facilitate 5 days of professional development for school administrators in each district on strategies for implementing CCSS standards as well as utilizing CCSS data to drive instruction. The purpose and focus of the 5 days with principals is to establish a principal collaborative as a means of supporting instruction aligned to the standards and increase the effectiveness of administrators in monitoring and supporting this standards-based instruction. Emphasis will be on using CCSS data to improve instructional practices in the classroom. Moreover, the coaching will also support district and school-based leadership to build their capacity to sustain the work. The 10 days of on-site job-embedded professional development and the additional 5 days for administrators will occur before September 30, 2018.

To determine the starting point for the work, the consultancy will commence with a meeting between planning team members representing the State Office of Curriculum and Instruction as well as representatives of district leadership from curriculum, instruction, and assessment to analyze the current instructional strategies aligned to the standards. Following this meeting, the successful contractor will provide an action plan that outlines strategies discussed and agreed to with the planning team.

The Contractor will provide coaching logs for each of the 10 days in each district and also provide interim reports after each of the additional 5 days for administrators. Additionally, the contractor will provide a final report focused on the scope of work and offer recommendations for sustaining the work.

Tasks:

The selected Contractor shall provide 10 days of professional development support to school CCSS teams in each district and an additional 5 days of support for administrators. The selected contractor shall perform the following tasks to deliver the consultancy and professional development services:

- Meet with State Director of Instructional Development, District Directors for Curriculum and Instruction, District Professional Development as well as district planning team members to determine the starting point for the consultancy.
- Provide a written action plan that outlines strategies discussed and agreed to with the planning team. Action plan will support 10 days of professional development to be carried out in each district and 5 days of support for administrators
- Work with planning team to develop agendas, and activities for the 5 days of professional development for administrators in each district.
- Facilitate 10 days of customized on-site support for schools in each district.
- Facilitate 5 days of customized on-site support for administrators in each district
- Provide strategies that will improve classroom instruction aligned to the Common Core State Standards.

- Establish a principal collaborative as a means of supporting instruction aligned to the standards and increase administrator effectiveness in monitoring and supporting standards-based instruction.
- Provide interim reports at the end of fifth day of the 10 day session for schools and after each 5 day session for administrators
- Provide a final report highlighting the goals of the action plan and offer recommendations for sustaining the work.

Deliverables

The selected Contractor must deliver to DOE...

1. An electronic action plan that outlines strategies discussed and agreed to with the planning team with timelines, activities, and recommendations, and expected outcomes for each district. This plan will be one document separated by district delivered one week after initial meeting with planning team.
2. Agendas and activities for 5 days of the principal collaborative.
3. Copy of the coaching schedule developed with planning team (which will allow for combining schools teams at specific sites) delivered one week after meeting with the planning team.
4. Coaching logs for 20 on-site coaching days (10 days in each District) delivered at the end of each 5 day block.
5. Interim reports submitted at the end of each 5 day principal session highlighting progress of consultancy.
6. A final comprehensive report of the consultancy with recommendations delivered two weeks after the consultancy ends.

III. NON-PERFORMANCE BY SELECTED CONTRACTOR

In the event of the selected contractor's non-performance under the subsequent contract and/or the violation or breach of the contract terms, the Government shall have the right to pursue all administrative, contractual, and legal remedies against the contractor and shall have the right to seek all sanctions and penalties as may be appropriate. Further, either party shall have the right to terminate the contract with or without cause upon the agreed upon written notice to the other party specifying the date of termination.

IV. CONTRACTUAL REQUIREMENTS

All bid proposals and subsequent contract and supporting documents (if selected) must reflect the legal name of entity. Supporting documents that must be submitted prior to contract execution and within the time established by the Government shall include, but not be limited to, the following:
