Question/Answers:

Question:

Can you provide clarification on the difference between number of facilities (132) and assets (39,500) in 2017 compared to facilities (72) and assets (9,161) in 2019?

Response:

Since 2017, we have been granted approval by the US Department of Education to retire all assets valued under \$500 and assets that have aged beyond the suggested useful life. Subsequently, this reduction has affected the number of locations with federal fixed assets.
