ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

BIDDERS MUST ACKNOWLEDGE RECEIPT OF THIS AMENDMENT WITH THEIR BID PROPOSAL.

1. How many handsets users will we need to account for? ~56 in STT and ~68 in STX. Are there any conference rooms? Yes, 3 total of 4
2. Is it a t-1 or analog trunk lines operating at the sites? we believe it is T1 if analog, how many at each site.
3. Does each desk area where a handset will be placed, have cat5/6 wire present? not presently in STT as we are in a temporary location; STX locations do have CAT 5/6 wires present. If not, will we need to incorporate within the quote running of additional lines. unnecessary in the STT district as we are operating in temporary location, and package should be primarily for the operating unit
