## AMENDMENT ONE (1)

**RFP-017-2020 (P)- Territory-Wide Government Wide (GWAN) and Land Mobile  
Radio Public Safety (LMR-PS) Architectural & Engineering Services.**

### INSERT: QUESTIONS AND ANSWERS

Question: Can you explain the background that has necessitated the GVI to reissue this RFP?

**Answer: The RFP was awarded and later rescinded.**

Question: The RFP has a very short time for responses (two weeks). Can you explain the reason for the short turn-around for development of proposals?

**Answers: The shortened timeframe is due to federal funding stipulations and the deadlines associated with the use of project funds; therefore it was in the best interest of the Gov't to re-solicit the services.**

**All other terms and conditions remain the same.  
A copy of this amendment must be returned with your proposal.**
