AMENDMENT #1- RFP- 039-T-2020 (P) – *Qualified and Licensed Contractors for Harbor Transportation Services – St. Thomas-St. John District*

Amendment 1- Questions/Answers:

Question:

Will this entity be structured as a public service through the department of transportation at no/limited cost to riders, or has a fee structure been established? Basically, my question is how is the service paid for?

Answer:

The service will be a paid transit service by the riders, and revenues generated by the operator. The operator will be responsible for developing a fare structure in accordance with their business plan. This fare structure will be approved by GVI and incorporated with the operations agreement.

Harbor Transportation Service will be an Operation Agreement between the Government of the Virgin Islands and the Operator to provide service within Charlotte Amalie Harbor and designated locations as listed in the RFP.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
