SECTION 1. That for and in consideration of the price or prices and agreement in this proposal hereto attached and made a part of this Contract, the said Contractor agrees to furnish and deliver any or all of the commodities described in the said Invitation for Bids No. IFB051DPPT20 (S) and the Scope of Work (Addendum I) at the price or prices stated therein and in strict accordance with the conditions of said accepted proposal. SECTION 2. The Government, for and in consideration of the full and true performance of the work by the Contractor, agrees to pay the price or prices set forth in the attached Invitation for Bids and the line items as indicated in Addendum I Scope of Work, in lawful money of the United States, and the payment shall be made at the time and in the manner set forth in the Invitation for Bids and the General Provisions.

SECTION 3. This Contract shall commence on October 1, 2020 and shall terminate on September 30, 2021, unless mutually extended or terminated by the parties. The commodities under this contract shall be for a period of one (1) year with a renewal option for a period of one (1) year. No alterations or variations of the terms of the proposal shall be valid or binding upon the Government unless made in writing and approved by the Government.

SECTION 5. Failure of the Contractor to deliver within the time specified, or within a reasonable time as interpreted by the Government, or failure to make replacement of rejected commodities when so requested, immediately or as directed by the Government, will constitute authority for the Government to purchase in the open market to replace the commodities rejected or not delivered. The Government reserves the right to authorize immediate purchases in the open market against rejections on this contract when necessary. On all such purchases, the Contractor agrees promptly to reimburse the Government for excess costs occasioned by such purchases. Such purchases will be deducted from contract quantities. However, should public necessity demand it, the Government reserves the right to use or consume commodities delivered which are substandard in quality, subject to an adjustment in price to be determined by the Government.

In the event the Contractor or any subcontractor misrepresents its eligibility to receive contract awards using federal funds, the Contractor or subcontractor agrees that it shall not be entitled to payment for any work performed under this contract or any subcontract and that the Contractor or subcontractor shall promptly reimburse the Government of the Virgin Islands for any progress payments heretofore made.
