The services under this contract shall be for a period of one (1) year with a renewal option for a period of one (1) year. No alterations or variations of the terms of the proposal shall be valid or binding upon the Government unless made in writing and approved by the Government.

SECTION 4. This Contract will remain in force for the full period specified and until all services ordered before the date of termination shall be satisfactorily performed and accepted and/or until all terms and conditions have been met, unless:

SECTION 5. Failure of the Contractor to deliver within the time specified, or within a reasonable time as interpreted by the Government, or failure to make replacement of rejected services when so requested, immediately or as directed by the Government, will constitute authority for the Government to purchase in the open market to replace the services rejected or not delivered. The Government reserves the right to authorize immediate purchases in the open market against rejections on this contract when necessary. On all such purchases, the Contractor agrees promptly to reimburse the Government for excess costs occasioned by such purchases. Such purchases will be deducted from contract quantities.
